

2018 Asia Pacific Clean Air Partnership Joint Forum and Clean Air Week
Theme: Solutions Landscape for Clean Air

Name of organization:	UN Environment and Clean Air Asia
Title:	Doubling fuel economy in Asia
Meeting dates and time:	20 March 2018, 14:00 – 18:00
Session or meeting background:	<p>UN Environment is supporting many countries in improving vehicle fuel efficiency, through its work with the Global Fuel Economy Initiative (GFEI). This initiative is led by the FIA Foundation, UN Environment, the International Energy Agency, the International Council for Clean Transportation, UC Davis, and the International Transport Forum.</p> <p>In Asia, UN Environment is working with several regional and national organizations to develop fuel economy policies by understanding their vehicle fleet and developing fiscal policies to encourage adoption of more efficient vehicles. UN Environment is working with GIZ and Clean Air Asia.</p>
Objectives:	To share experiences in developing national policies for more efficient vehicles including electric and the challenges and benefits of having regional approach in promoting policy development
Agenda and expected speakers:	See below
Expected participants:	40
Contact persons	<p>Bert Fabian, Programme Officer, UN Environment bert.fabian@un.org</p> <p>Kathleen Dematera, Transport Coordinator, Clean Air Asia kathleen.dematera@cleanairasia.org</p>

Programme

Time	Agenda	Speaker
